

## RESOLUTION

To Mayor Jackson and the Cleveland City Council,

We, the Mayor and City Council of the City of Sisian, Syunik Province, Armenia, hereby issue a resolution formally requesting a partnership with your great city under the auspices of the Sister Cities International Association.

This will be the fourth Sister City to be joined with the City of Sisian and the first in the United States. It will also be the twenty-third Sister City to be joined with the City of Cleveland and the first in Armenia.

We express the wish to engage in a mutual cooperation on an economic, cultural, and political basis with the City of Cleveland. We also hope to enhance our association with the Cleveland Armenian community, to give them a direct connection to their historic homeland, Armenia, and to bridge the old world of Hayastan with the new world of America.

We hope that Cleveland will accept our offer of partnership and that perhaps, one day, Mayor Jackson and Cleveland City officials will visit our great city Sisian, see our historical sites, discover our magnificent churches, and observe other parts of our beautiful, scenic, and mountainous Syunik Province.

Our historic city, located in the picturesque Caucasus, is one of friendship and hospitality.

We welcome all!

Sincerely,

Members of City Council
